 - All Pages under About Change for Children and Our People are **regular content template** pages unless otherwise mentioned

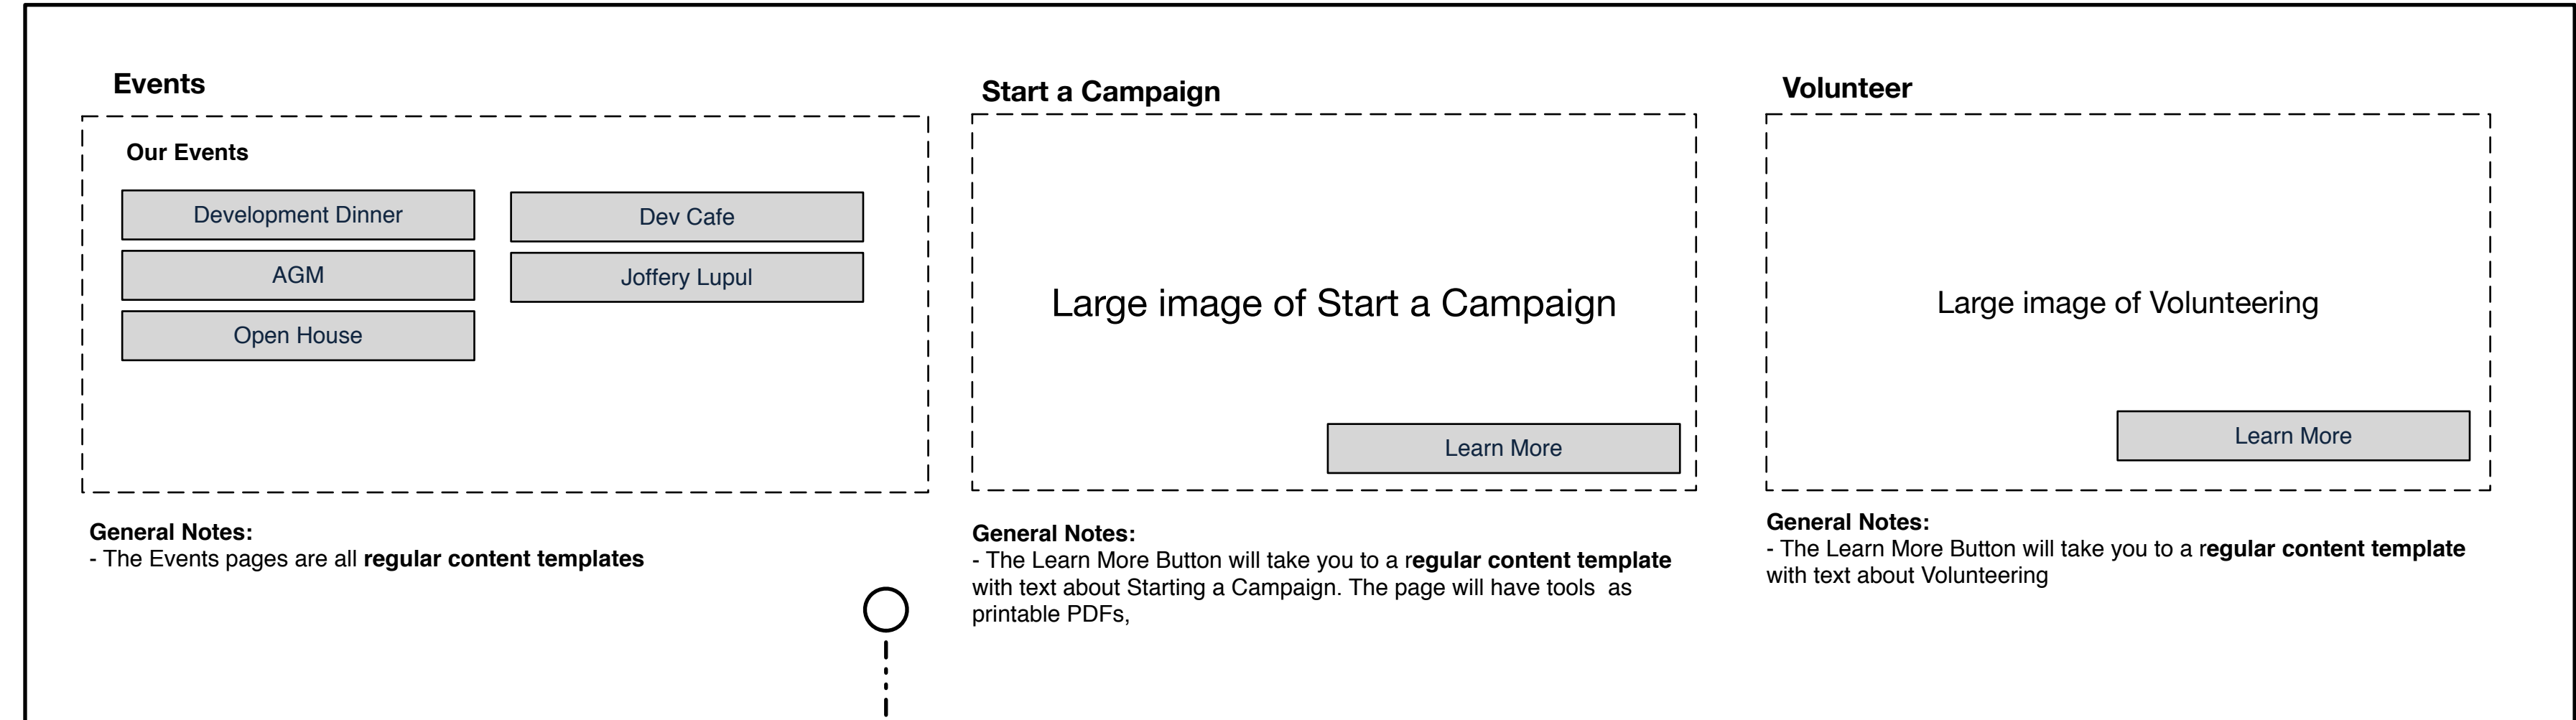

- Changes made to this section for version 2.5:**
- Our Core Values changed to Our Values
 - Our 40 Year Journey changed to Our Journey
 - Our Commitment page removed
 - Our Publications page removed; Our Impact page will contain the publications
 - Funding Partners changed to Community Partners

- General Notes:**
- Sign up Now page will be an all encompassing **Signup Form** page with information.
 - All Signups should be able to be accepted though this one form (We'll need to iron all the fields that will be necessary to make this feasible)
 - All pages under Our Brigades and Tours are **regular content template** pages, unless otherwise noted.
 - All Pages will have a sidebar that allows for navigation between Brigades and Tours pages.

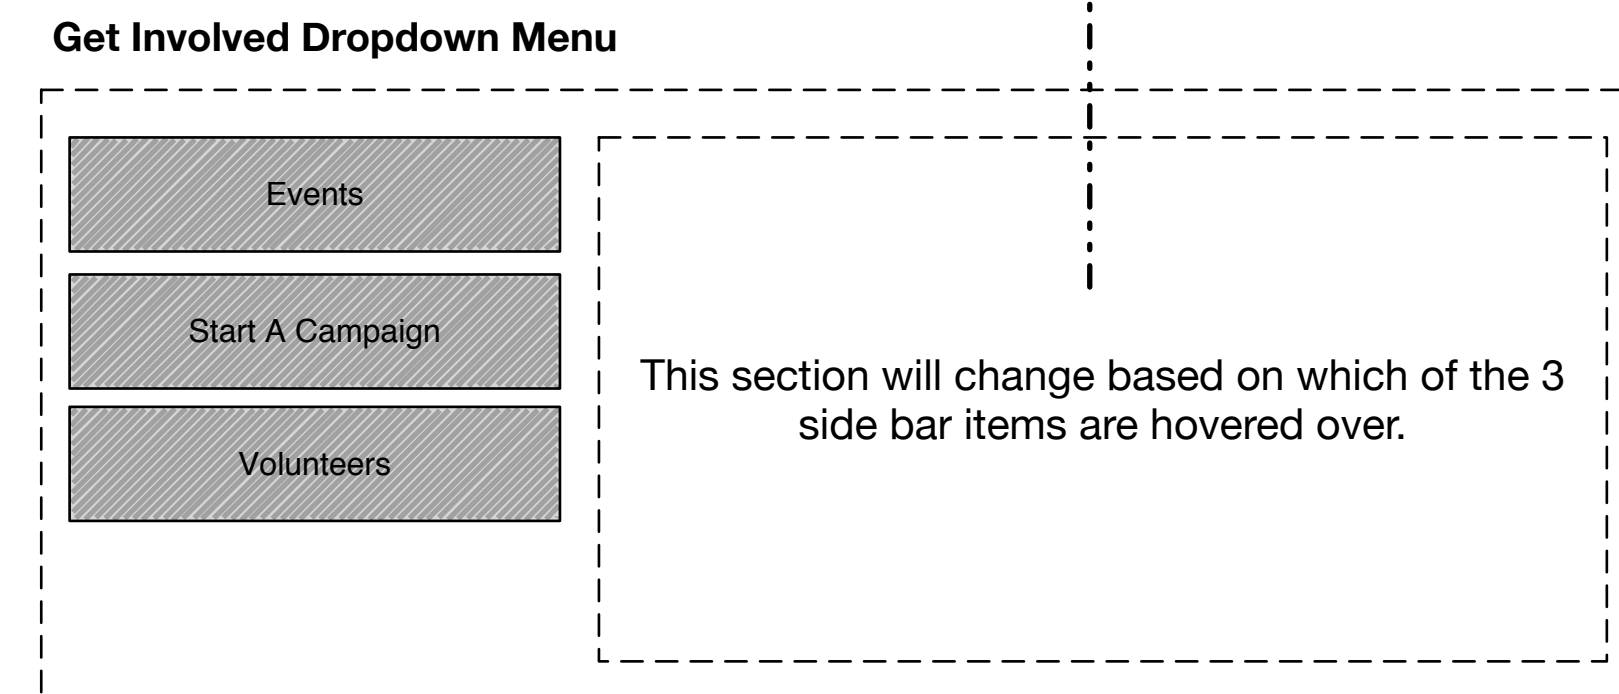

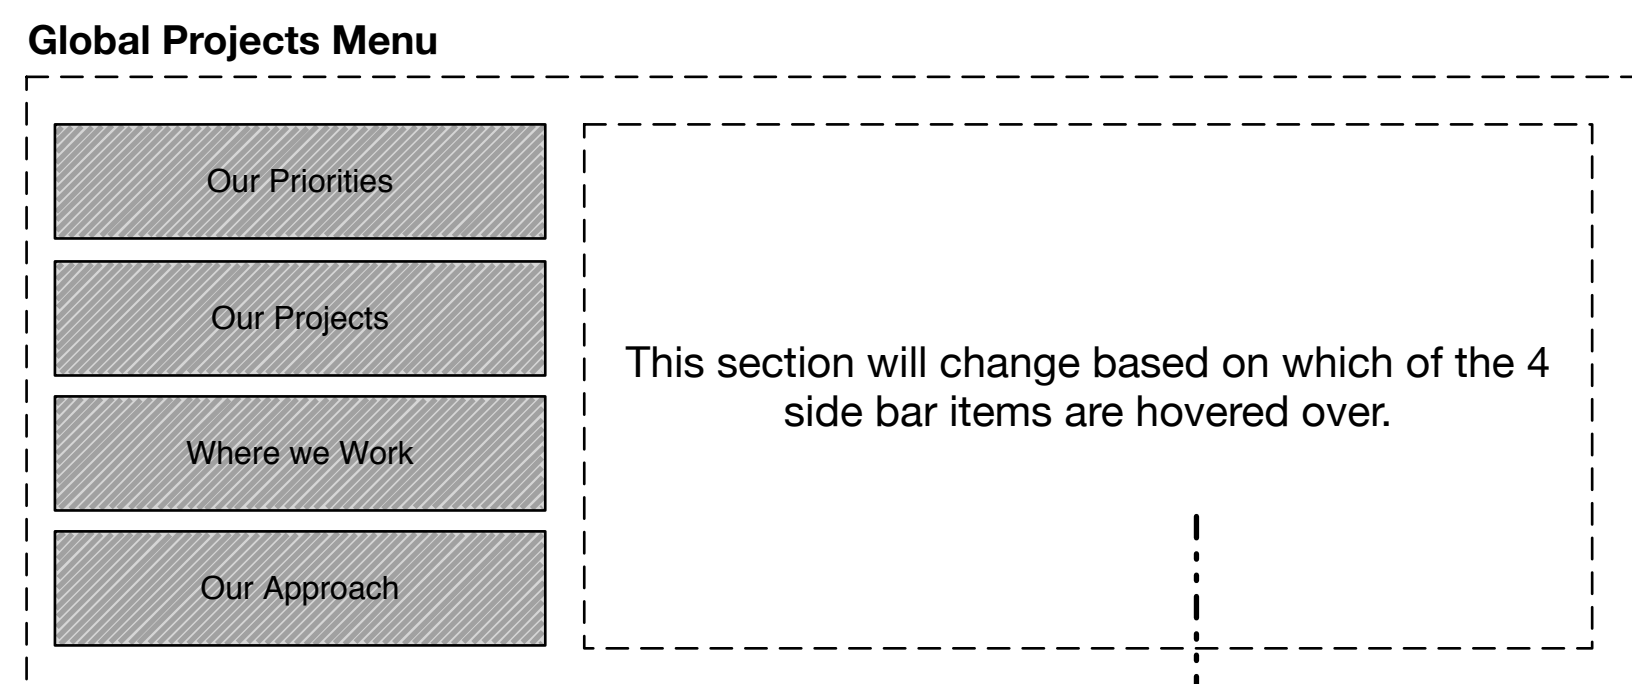

- General Notes:**
- All Pages under Tools for Schools Topics & Projects will have a sidebar that allows for navigation between all Tools for Schools Pages.
 - All Pages under Tools for Schools Support are **media content template** pages with videos and PDFs
 - Pages with an * will follow the **navigation content template** which in addition to a regular sidebar and content will have links that allow users to navigate to pages that fall under the banner of Tools for School, but are not linked to from the primary Dropdown Menu. (We'll need a list of these Pages)

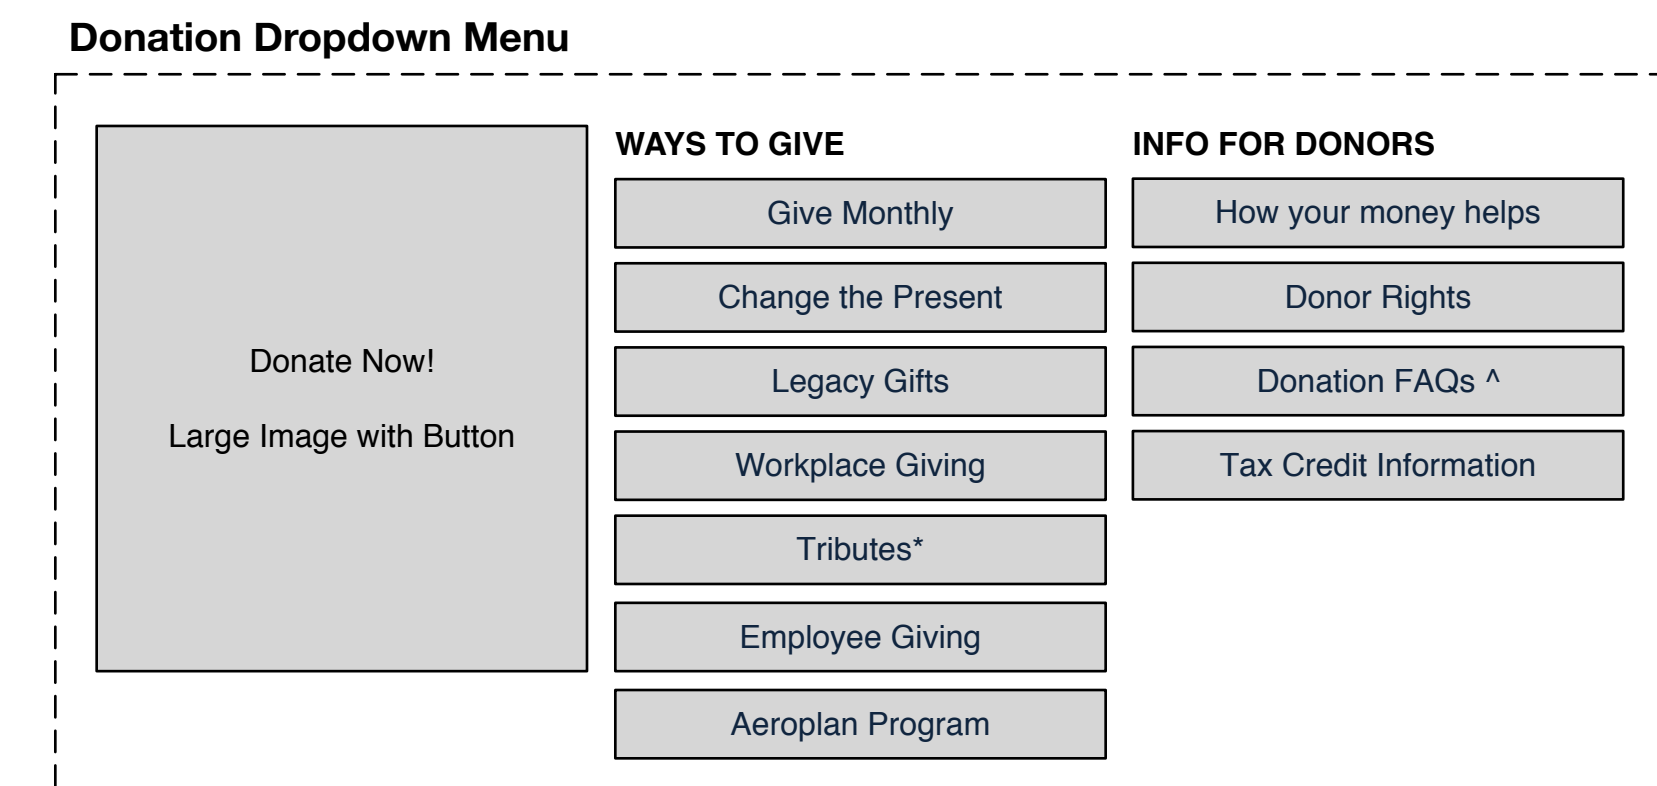

- General Notes:**
- The Events pages are all **regular content templates**

- General Notes:**
- The Learn More Button will take you to a **regular content template** with text about Starting a Campaign. The page will have tools as printable PDFs.

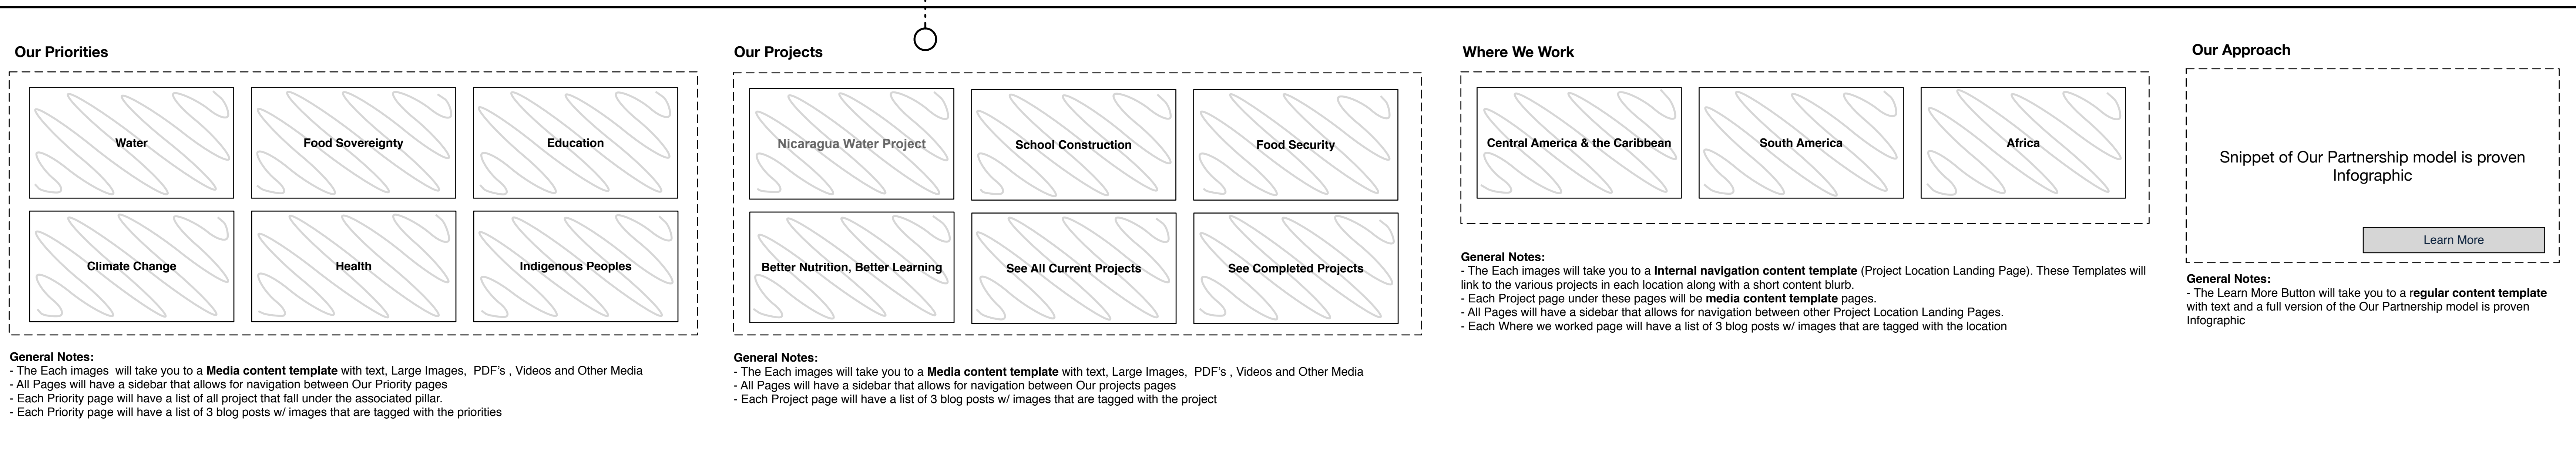

- General Notes:**
- The Learn More Button will take you to a **regular content template** with text about Volunteering

- General Notes:**
- All Pages under Get Involved will have a sidebar that allows for navigation between all Get Involved Pages
 - All Pages under Get Involved are **regular content template** pages.
 - Some pages may have forms on the page (We'll need a list of all the form fields)

- General Notes:**
- Donate Now will link to the Canada Helps donation form
 - All pages under Ways to Give and About Donating are **regular content template** pages, unless otherwise noted.
 - All Pages will have a sidebar that allows for navigation between donation pages.
 - Pages with an * will follow the **navigation content template** which in addition to a regular sidebar and content will have links that allow users to navigate to pages that fall under the banner of donation, but are not linked to from the primary Dropdown Menu. (We'll need a list of these Tribute Pages)
 - Pages with a ^ will follow the **internal navigation content template** which in addition to a regular sidebar and content will have links to allow users to navigation to sections of the current page they are on, particularly for pages with large amounts of content .

- General Notes:**
- The Each images will take you to a **Media content template** with text, Large Images, PDF's, Videos and Other Media
 - All Pages will have a sidebar that allows for navigation between Our Priority pages
 - Each Priority page will have a list of all project that fall under the associated pillar.
 - Each Priority page will have a list of 3 blog posts w/ images that are tagged with the priorities

- General Notes:**
- The Each images will take you to a **Media content template** with text, Large Images, PDF's, Videos and Other Media
 - All Pages will have a sidebar that allows for navigation between Our projects pages
 - Each Project page will have a list of 3 blog posts w/ images that are tagged with the project

- General Notes:**
- The Each images will take you to a **Internal navigation content template** (Project Location Landing Page). These Templates will link to the various projects in each location along with a short content blurb.
 - Each Project page under these pages will be **media content template** pages.
 - All Pages will have a sidebar that allows for navigation between other Project Location Landing Pages.
 - Each Where we worked page will have a list of 3 blog posts w/ images that are tagged with the location

- General Notes:**
- The Learn More Button will take you to a **regular content template** with text and a full version of the Our Partnership model is proven Infographic
